INRA AWARDS

RAPSEED GROUP AWARD:

MORE THAN 50 SCIENTISTS HONOURED

The Rapeseed Research Group receives the 2015 INRA Award for Science with an Impact which pays tribute to 40 years of research and innovation that are widely present in society. Outstanding publications, patents and plant variety rights have marked this success. More than 50 people have contributed since 1974:

Institute of Genetics, Environment and Plant Protection (UMR 1349, Le Rheu) | Rennes Research Centre,
Research Divisions: Plant Health and Environment, Plant Biology and Breeding

Pierre BARRET
Lydia BOUSSET
Hortense BRUN
Anne-Marie CHEVRE
Régine DELOURME
Frédérique EBER

Cyril FALENTIN
Marianne LEFORT
Maria MANZANARES-DAULEUX
Jacques MESQUIDA
Jacques MORICE
Michel RENARD
Patrick ROUSSELLE

PhD students
Irénée SOMDA, Sophie ROUSSEL,
Renaud TRAVADON, Berline FOPA FOMEJU,
Christophe JESTIN, Martine LEFLON,
Nathalie FOISSET, Chritelle JOURDREN,
Marie-Laure PILET-NAYEL

Institut Jean-Pierre Bourgin (UMR 1318, Versailles) | Versailles-Grignon Research Centre,
Research Divisions: Plant Biology and Breeding, Science and Process Engineering of Agricultural Products

Sandrine BONHOMME
Lionel BOULIDARD
Françoise BUDAR
Hassen GHERBI
Mathilde GRELON
Dominique LANCELIN

Hakim MIREAU
Georges PELLETIER
Catherine PRIMARD-BRISSET
Ian SMALL
Magalie UYTTEVAAL

PhD Students:
Mohammed BELLAOUI,
Yan DUROC

Paris Saclay Plant Science Institute (UMR1403, Evry) | Versailles-Grignon Research Centre,
Research Division: Plant Biology and Breeding

Abdelhafid BENDAHMANE

Biology and Risk Management in Agriculture (UMR 1290, Grignon) | Versailles-Grignon Research Centre,
Research Division: Plant Health and Environment

Marie-Hélène BALESSENT
Françoise BLAISE
Isabelle FUDAL
Edouard MENDES-PEREIRA
Michel MEYER
Thierry ROUXEL
Jacques SCHMIT

PhD Students:
Claude GALL,
Delphine ANSAN-MELAYAH,
Agnès ATTARD, Lilian GOUT,
Francis PARLANGE,
Azita DILMAGHANI,
Guillaume DAVERDIN,
Clémence PLISSONNEAU

Postdoctoral students:
Simon ROSS,
Alexandre DEGRAVE

On the occasion of the INRA Awards, the Rapeseed Research Group is represented by six members who stand for the highlights:
Marie-Hélène Balesdent, Hortense Brun, Françoise Budar, Régine Delourme, Georges Pelletier et Michel Renard.
